We strictly do not permit any alcohol to be brought on board for consumption. Any discussions with our representatives should not be construed as an acceptance to bring alcohol of any nature on board for any event or function. In line with our Responsible Service of Alcohol policy, such requests will be refused politely.

Australian Cruise Group strictly adheres to NSW Responsible Service of Alcohol guidelines. This is not an unlimited beverage package. We request our guests to drink responsibly, enjoy alcoholic beverages in moderation and consistent with the concept of the cruise. You will be refused service by our crew on board at their absolute discretion if you do not comply with any reasonable request consistent with the NSW liquor license regulations and our house policy.

*Indicative beverage list only. Items may be subject to change.
